Dear Music Parent,

The music department performance season is about to get under way. In addition to preparing our ensembles musically, we are also reminding students of their performance uniform requirements. Although it may seem trivial, properly outfitting the ensemble members is an important part of the show.

We will be checking uniforms with our ensembles in the next few weeks to make sure that all students are wearing similar types and colours of apparel. As well, we will be assigning uniform sweaters to each ensemble member.

There is no cost for the sweater itself, but we do ask that each student contribute the cost of dry cleaning the sweater. ***The dry cleaning charge is \$5.00***, and we ask that it be paid before receiving the uniform sweater. All sweaters will be dry cleaned before being assigned.

Students are required to wear their uniform sweaters for all formal performances throughout the school year. Sweaters are only to be worn for festivals and concerts, and are not to be worn as common articles of clothing. ***Sweaters must be returned in good condition at the end of performance season. Your signature below acknowledges responsibility for the loss of, or damage to this uniform sweater.***

Thank you for your continued support.
